Sir:

In accordance with the duty of disclosure under 37 C.F.R. §1.56 and pursuant to 37 C.F.R. §§1.97-1.98, the reference listed and identified on the attached PTO-1449-based form is being submitted herewith for consideration by the Examiner. A copy of the listed reference is included herewith.

The reference is being cited only in the interest of candor and without any admission that it constitutes statutory prior art or contains matter which anticipates the invention or which would render the same obvious, either singly or in combination, to a person of ordinary skill in the art.

For each item listed on the enclosed copy of Form PTO-1449 that is not in the English language, an English language translation of that item or a portion thereof or a concise explanation of the relevance of that item is set forth below:

Taiwan Publication No. 338555 - The utility model provides a disc drive access unit with a disintegration-proof mechanism to improve the positioning ability of a conventional disc drive access unit. The utility model can position the access unit solidly when a tray of the disc drive moves to or from the access location. On the tray, the main chassis of the disc drive and the access unit are disposed trapezoid pieces, swing pieces being able to accept compression from the trapezoid pieces and inclined block pieces positioned by the swing pieces. When the tray is
